**PLEASE NOTE:**
- All courses used to satisfy major requirements must be taken for a **LETTER GRADE** and **PASSED WITH A C– OR BETTER**.
- CSE 8AB is designed for students who do not have previous programming experience.
- CSE 8A can be applied towards the CSE lower division elective.
- *ECE 108 must be replaced with an upper division CSE or ECE course that doesn’t satisfy any other requirement.*
- ECE 109 is a core major requirement. Substitutions are not acceptable. Please see an ECE advisor for more information.
- **Due to six different college requirements, only major requirements are listed.**
