Yuhwa Lo

PROJECT TITLE

Heterogeneous Integration on CMOS

PROJECT DESCRIPTION

Investigate the integration of quantum dot detectors with CMOS.

This project can accommodate both remote and in-person students.

INTERNS NEEDED

2 Students

PREREQUISITES

- Semiconductor devices

FACULTY MENTOR

Yuhwa Lo

PROJECT TITLE

Machine Learning/AI for Biomedicine

PROJECT DESCRIPTION

Develop AI/machine learning algorithms for the investigation of diseased cells.

This project will be in person.

INTERNS NEEDED

1 Student

PREREQUISITES

- Machine learning/AI
